## Professional, Courteous and Responsive

You want to make sure that you have the best agent working for you when you are making one of the biggest purchases of your life. That's exactly what my son did! Tom Veal was an exceptional agent who helped my son every step of the way. Tom was such a pleasure to work with selling his home that he then hired him to find and purchase another home. The experience went so smoothly that not only will my son recommend him to his friends, but we will use him for future real estate transactions.
